

[illegible]

Technical drawing of a vertical rod assembly. The drawing shows a rod with a central section of diameter $\phi 22^{+0.0}_{-0.1}$ and a wider base section of diameter $\phi 25^{+0.0}_{-0.1}$. The total length is 134. The base section has a width of 30. The rod is connected to a component labeled "C 接口" (C Interface) with a diameter of $\phi 30$. The distance from the base of the rod to the center of the "C 接口" is 17.526. The distance from the base of the rod to the center of the "2/3" CCD" sensor is 110. The rod is labeled "WD=110". The drawing includes a dashed line indicating the center of the rod and a hatched area on the left labeled "物方" (Object Side).
