

[illegible]

Figure 10-10 is a technical drawing of a mechanical part, showing a side view and a cross-section view. The side view shows a long cylindrical part with a flange on the left and a threaded section on the right. The dimensions are as follows:

- Total length: 133
- Flange diameter:  $\phi 30_{+0.0}^{-0.1}$
- Flange thickness: 31.5
- Threaded section diameter:  $\phi 22_{+0.0}^{-0.1}$
- Threaded section length: 17.526
- Thread specification: 2/3 CCD
- Threaded section label: C 接口

The cross-section view shows a circular part with a diameter of 30 and a length of 17.526. A dimension of 31.5 is also shown for the flange thickness.
